

TATAMI FLOOR AND SAFETY MATTRESS

Description

Tatami floor and safety mattress.

Effects and benefits

Cushions the impact in case of falling against the ground. Easy to store and takes up little space. Gentle unevenness on the sides of the mattress to facilitate the use of a wheelchair and facilitate the mobility of the user avoiding obstacles. It has rigid angles at the base to prolong the life of the mat and facilitate user access. The outer cover is very resistant, fire retardant, breathable, waterproof, stain-resistant and antimicrobial.

Composition

Agglomerated tatami. Leatherette cover. PVC coating, applied over a 100% recycled polyester reinforcement, with a Nautic Plus finish.
